

WHAT'S THE 4-1-1

Hey Distinct Family!

Spring is here...Practicing healthy wellness habits are so important, especially as we transition into a new season. Therefore, our special guest, Sarah, facilitated a virtual yoga session with our young ladies to introduce basic yoga fundamentals and to learn calming techniques that are physically and emotionally beneficial. We were fortunate enough to have Temple University students from the National Association of Black Accountants (NABA) share their college experiences and some of the expectations of living on campus. To end out the month of April, we hosted a Roller Skating Fundraiser at Rolling Thunder for families & friends to join us. We are appreciative of your donations and your continued support! With your contribution, we raised \$621.11, which will go towards program expansion to increase the amount of girls we are serving in the Philly area.
Thank You!
